I am sorry, from my own experience, and that of
 others, to say that the spiritism is a deception, and
 that the spiritists are impostors. I have seen
 the phenomena a number of times, and I have
 seen the impostors. I have seen the spiritists
 and their mediums, and I have seen the

 Messrs. A. G. BRADY & Co.,

DEAR MRS. KNOW: I wish to add my testimony to a
 subject, proprietors of your Mustang Lotion, by
 of my own scale. My son, Edw. J. Know, had a
 face and hands by powder. It was expected
 would be badly scarred for life. We applied the M
 with raw cotton, and nothing else, and in ten days
 entirely well and left no scar, or mark whatever
 wife used it in a case of scald from boiling-hot tallow.
 It had the same good effect.

Yours, truly, D. B. MILLER, County Jail

For the benefit of the afflicted, I feel it my duty to publish the remarkable cures that have been effected by my family by the use of the Golden Balm. A prominent news of mine had what is called a Bone Sprain in his number finger. This inflammation had been so extreme that the whole finger had become a mass of corruption and the only hope of saving her hand and preserving life, appeared to be to have it cut off. As her general health was very delicate, the Physician advised me to try the Golden Balm. In a few days, the ailment could be so attended to, that her hand was saved.

might prevent mortification. To the astonishment
 doctor and myself, the pain soon ceased, the inflammation
 subsided, and the wound rapidly healed. The first
 perfectly well and sound. One of my boys was
 burned; the skin was entirely fallen off from the
 the surface. The Mustang Liniment was freely ap-
 and striking relief was afforded. The inflammation
 wound beyond belief; but a short time elapsed these
 wounds were perfectly healed. I consider it an in-
 valuable remedy, and it should be in every family and ap-
 parition.

 a very common article of diet among the heathen women, in
 burns, pains, and all manner of distress, such as
 suppurations, ulcers, or lameness in the legs, swell-
 ings, rheumatism, any other remedy. These are
 that millions of persons know from having used it

 fifteen millions of bottles have been used, and cover
